The Commission for Conciliation, Mediation and Arbitration (CCMA) is an independent and autonomous organization that was established by the Labour Relations Act of 1995 (LRA) to deliver dispute prevention and resolution services to the people of South Africa. The core mandate of the CCMA, as one of the organizations charged with implementing the LRA, is derived from the purpose of the LRA which, amongst others, is to advance economic development, social justice, labour peace and the democratization of the workplace.

The CCMA invites prospective bidders who can supply office accommodation and parking within Durban CBD. The required CCMA office space comprises of a Gross Lettable Area (GLA) of 2650m² determined by the attached Space Planning Calculations (See Annexure A), for a lease term of five (5) years. The characteristics of the building / premises should be a typical high people volume traffic facility with offices, board rooms, a training room, mediation rooms, and typical open plan office space accommodation which need to be easily assimilated on the premises.

Preferably the location of the facility should be within a walking distance to public transport services, preferably clearly visible from major local traffic routes and unimpeded entrance to the public area from street level, ideally within proximity of public parking facilities. It is a further prerequisite that the proposed new premises must provide sixty (60) parking bays onsite of which three (03) must comply with disability requirements.

The BOQ must indicate both Landlord and Tenant costs. The prepared BOQ should be inline, but not limited to the scope of work and tenant installation scope of work.

Cognizance is given to the fact that the CCMA corporate requirements are specific, and bidders may not have compliance with these requirements before entering a contract with the CCMA. Bidders are however directed to undertake to have such compliance with these items after an award is made, but prior to occupation.

In addition, the CCMA will require that the successful bidder is compliant (and will so warrant) with all legislation in respect of all persons in its employ or contracted by the bidder to provide services at the premises in question.

REGULATIONS AND BY-LAWS

The installation shall, in addition to the standards specified under individual subsections of this specification, comply with SANS 10400 (National Building Regulations), the South African Municipal Regulations and all applicable by laws, any variation from these shall be brought to the attention of the CCMA.

Grounds for rejection	9	Consider rejecting a bid if there is any effort by a <i>bidder</i> to influence the processing of bids or contract award.
Disqualification	10	Instantly disqualify a <i>bidder</i> (and his bid) if it is established that the <i>bidder</i> offered an inducement to any person with a view to influencing the placing of a contract arising from this invitation to bid.
Test for responsiveness	11	Determine before detailed evaluation, whether each bid properly received. • meets the requirements of these Conditions of Bid, • has been properly signed, and • is responsive to the requirements of the <i>bid documents</i>.

Where there is an obviously gross misplacement of the decimal point in the rate, the line-item total as quoted shall govern, and the rate will be corrected. • Where there is an error in the total of the Prices, either as a result of other corrections required by this checking process or in the <i>bidder's</i> addition of prices, the total of the Prices, if any, will be corrected. • The corrected price will be communicated to the bidder. The bidder may withdraw the bid but may not change the bid price.
	15	Reject a bid if the <i>bidder</i> does not accept the corrected total of the Prices (if any).
Evaluating the bid	16	Evaluate responsive bids in accordance with the <i>procedure and criteria</i> stated in the Bid Data. The evaluated bid price will be disclosed only to the relevant CCMA bid committee and will not be disclosed to <i>bidders</i> or any other person.
Clarification of a bid	17	Obtain from a <i>bidder</i> clarification of any matter in the bid which may not be clear or could give rise to ambiguity in a contract arising from this bid if the matter were not to be clarified.
Acceptance of bid	18	Notify CCMA's acceptance to the successful <i>bidder</i> before the expiry of the <i>validity period</i> , or agreed additional period. Providing the notice of acceptance does not contain any qualifying statements, it will constitute the formation of a contract between the CCMA and the successful <i>bidder</i> .
